RE: 40 CFR Part 60 Subpart OOOOa  
Liquids Handling Hub  
Weld County, Colorado

Transmitted via Email

Dear Sir or Madam:

Pursuant to 40 CFR 60.8(d), Crestone Peak Resources Operating LLC (Crestone) is submitting an initial performance testing notification required under 40 CFR Part 60 Subpart OOOOa. Crestone has contracted Montrose Air Quality Services, LLC to conduct the testing for two enclosed flares, Zeeco 6x40 EGF, located at the Liquids Handling Hub, Weld County. The testing will be performed the week of January 2<sup>nd</sup>, 2018, Per 40 CRF 60.8(d), "The owner or operator of an affected facility shall provide the Administrator at least 30 days prior notice of any performance test", Crestone is requesting a waiver of the 30-notice requirement as the testing date is 27 days away.

Please feel free to give me a call at (303) 774-3908 or email at [taryn.weiner@crestonepr.com](mailto:taryn.weiner@crestonepr.com) if you have any questions or require additional information.

Sincerely,  
Crestone Peak Resources Operating, LLC
